Dear ACA 2016 Conference Volunteers:

On behalf of the ACA Governing Council and the ACA Staff, we would like to extend a huge THANK YOU for all your hard work and efforts as volunteers.

As you know, coordinating a conference is never an easy task. There are so many moving parts and hundreds of details that must be attended to and failing to address the simplest one could easily result in a significant problem. Over the five day event (March 30 – April 3), you have assisted in so many ways and in so many areas…as a result of your volunteerism, the conference was once again a huge success!

We developed the ACA Graduate Student Volunteer Program many years ago to not only help students offset some of the costs associated with attending the conference, but to provide an opportunity to network with other students and professionals. We hope your experience as a volunteer was positive and that you will consider returning if this was your first time.

If you have any comments/feedback you would like to share, please feel free to contact me at rhayes@counseling.org.

I hope this letter adequately conveys our gratitude for everything you did in assisting us with the conference. It was a pleasure working with each and every one of you!

Warmest regards,
